

Some politicians sell out to the Chicago money and forget about us.

Randy Keith

will never sell us out.

Randy Keith doesn't owe anybody anything. He's not like most politicians, because **Randy Keith isn't a politician.**

Randy's honest. No drama. Worked in a factory for 40 years.

We need more of that in Springfield.

Randy Keith looks out for us. As Chairman of the Piatt County Board, he's balanced the budget, protected essential services, and was responsible with taxpayer money.

Randy is tired of the career politicians. Randy supports term limits and independent redistricting because voters should choose their politicians, not the other way around. In fact, he's promised to only serve 4 years in Springfield.

Randy Keith is the only candidate for State Representative endorsed by members of the Illinois Farm Bureau:
