

An elderly man with white hair, wearing a brown sweater, light-colored trousers, and a dark cap, is walking away from the camera down a long, ornate wooden hallway. He is using a black cane for support. The hallway is lined with wooden desks and chairs, and features a large American flag and a green patterned wall at the end. The scene is lit with warm, golden light, suggesting a formal or institutional setting.

Politicians in Illinois  
shouldn't serve for life.

**Randy Keith** will bring term limits and independent redistricting to Illinois.

Randy knows career politicians got us in to the mess **Illinois faces**. He'll work to stop career politicians and to change redistricting so that an independent commission, not the politicians in control, draw district maps.

**Springfield needs more of Randy Keith's common sense.**

And he'll put his money where his mouth is. Randy has promised to only serve 4 years in Springfield. **He won't ever be a career politician.**

**Randy Keith**, an independent leader who will put Illinois back to work.

**Vote Randy Keith for  
State Representative
