

# Politicians in Springfield...

*...talk too much*

*...do too little*

*...don't tell the truth*

*...sell out for  
campaign cash*

*...forget about us*

## It's time for something different.

It's time for a **State Representative**  
who will get things done.

**Randy Keith** has balanced budgets, protected taxpayers, and worked in a factory for 40 years.

It's time to put Illinois **Back To Work.**

**VOTE MARCH 20**
