

ILLINOIS IS UNDER ATTACK!

RANDY
KEITH

FOR STATE
REPRESENTATIVE

Randy Keith has a plan to fix the potholes, improve our roads and bridges, strengthen our infrastructure...
...and Put Illinois Back to Work

Randy Keith knows if people aren't working, Illinois isn't working.

Randy knows the value of hard work and trying to make a dollar. He worked in the same factory for 40 years rising from the ranks of janitor to an essential production position.

Randy has a plan to put hard working people from Illinois back on the job by passing an infrastructure bill that **doesn't raise taxes on you**.

It's time to fix the potholes, repair the roads, rebuild our bridges...and **put Illinois back to work**.

Vote **Randy Keith** for
State Representative
March 20.
